

Private Lessons: Tailored Training in the Comfort of Your Home

Transform your dog's behavior and enhance your bond with our **Private Lessons**, designed to teach essential manners where they matter most—right in your own home. Whether you're seeking obedience, behavioral reform, or the mastery of new skills, we offer a personalized approach that matches you with one of our seasoned professionals. We take the time to understand your goals and your dog's needs, ensuring a custom-fit plan that delivers results.

Our **Private Lessons** are sold in packages of 8 sessions, offering the perfect blend of flexibility and consistency for lasting progress. Upon completion, you'll gain access to our highly coveted **Group Training Programs**, which are not available to the general public. These ongoing group sessions are pay-as-you-go and allow your dog to continue growing alongside other like-minded pet owners, enhancing socialization and reinforcing their training in a group setting.

In addition, we can take your training beyond your home and into the real world. Whether it's the park, local pet-friendly stores, or other key environments, we'll practice in the places that matter most to you and your dog, ensuring your dog is prepared for anything life throws their way.

Invest in your dog's future today, and experience the transformation that only expert training can bring.

Specialty Board and Train: Transformational Training for Serious Behavior Change

Our **Specialty Board and Train** program is our most popular and highly effective solution for clients seeking **serious, lasting behavioral change**. Tailored for dogs struggling with reactivity, aggression, fear, and anxiety, this program is designed not only to address these challenges but also to teach essential life skills and solid foundational obedience. Combining in-person training with an innovative online approach, our program offers unmatched flexibility and accessibility—making it the perfect choice for busy professionals and those with dynamic, fast-paced lifestyles.

If you're feeling overwhelmed by your dog's behavioral issues, our **Specialty Board and Train** program offers the professional help you need to restore harmony in your home and build a well-mannered dog. This **three-month program** provides **intensive, hands-on training** while keeping you fully involved every step of the way to ensure long-term success.

Program Breakdown:

- **Month One: Learning at Home**

Begin the process in the comfort of your own home with **8 virtual modules** and **4 virtual trainer meetings**. You'll work directly with our team to build a strong foundation for success, learning how to set your dog up for future progress.

- **Month Two: Trainer-Led Immersion**

During this phase, your dog stays with a professional trainer and receives **300+ hours of personalized training** in real-world environments. Through **8 virtual modules**, **4 virtual trainer meetings**, and **regular video updates**, you'll witness your dog's transformation firsthand. At the end of this phase, you'll also receive our exclusive **Success Gear Package**, including essential tools for maintaining your dog's progress beyond the program.

- **Month Three: Reintegration Home**

In the final phase, we'll help transition your dog back into your home and ensure they respond positively to all family members. With **8 virtual modules** and **4 virtual trainer meetings**, this stage focuses on reinforcing learned behaviors and solidifying the bond with your dog in your home environment all while adapting any of their need skills wherever needed to fit YOUR lifestyle.

Post-Program Support: Upon completing this program, you'll enjoy **FREE lifetime follow-up support, exclusive access to group classes**, additional discounts, and even more premium resources to continue your dog's training journey.

Invest in the most comprehensive, hands-on training available, and give your dog the foundation they deserve—one that will last a lifetime.

Puppy Prep-School: The Ultimate Head Start for Your Pup

Set your puppy up for success from day one with **Puppy Prep-School**, the program that will help you build a foundation so strong, we might just put ourselves out of business! Tailored for novice dog owners or anyone looking to give their pup the best possible start, this program is designed for puppies between 8 weeks through 6 months of age. Our approach focuses on establishing good habits, building functional obedience, and creating a strong, lasting bond with your puppy.

With a primary emphasis on **socialization, preventing behavioral issues**, and ensuring a lifetime of fun and relaxation, **Puppy Prep-School** is designed to set the stage for your pup's success. The result? A well-adjusted dog who enjoys life and is a joy to be around.

Program Highlights:

- **12 Private Lessons in Your Home**

Our **hands-on private lessons** ensure that your puppy receives the personalized attention they need, right in the environment where they'll spend most of their time. These lessons focus on **socialization**, teaching core obedience, and fostering good habits, setting your puppy up for a lifetime of success.

- **6 Virtual Modules for Maximum Effect**

To complement the in-person lessons, we provide **6 virtual modules** packed with essential training tips, guidance, and resources to reinforce your puppy's development and support your training progress between sessions.

- **Exclusive Group Class Access**

Upon completing the program, you'll receive access to our exclusive **pay-as-you-go group classes**, which are not open to the general public. These sessions are a perfect opportunity to continue your puppy's growth in a dynamic group environment while also strengthening socialization skills.

- **FREE Nutritional Consultation**

A healthy puppy is a happy puppy! This program includes a **FREE nutritional consultation** to help ensure your pup is set up for a healthy life from the very start.

Give your puppy the gift of a **well-rounded education** and start your journey together on the right paw. With **Puppy Prep-School**, you're not just preventing future behavioral issues—you're laying the groundwork for a happy, confident dog and a strong bond between you and your pup.

Set your puppy up for success today—and enjoy a lifetime of love, fun, and companionship!

Skills Courses:

Patio Pooch Skills Course: Master Public Spaces with Confidence

Ready to take your dog out on the town? **The Patio Pooch Skills Course** is designed to help you and your dog navigate high-traffic public spaces with ease and confidence. Whether it's bustling farmer's markets, dog-friendly patios, lively festivals, or any other public space, this course equips your dog with the essential manners and skills needed to thrive in dynamic environments.

Over the course of **8 lessons in 8 different public locations**, you'll learn how to handle distractions, maintain focus, and reinforce essential skills in real-world settings. This hands-on approach ensures that your dog is well-prepared for the sights, sounds, and energy of high-traffic areas, while also solidifying your bond and communication.

Program Highlights:

- **8 Lessons in 8 Different Public Locations**

Each session takes place in a unique, high-traffic environment, helping your dog generalize their skills to a variety of situations. This variety ensures your dog stays confident and responsive, no matter where you go.

- **Build Confidence and Socialization**

Your dog will gain the skills necessary to stay calm and collected in busy environments, improving their socialization and ability to handle distractions. This not only enhances your dog's overall behavior but also makes outings more enjoyable for both of you.

- **Perfect for Active Lifestyles**

If you enjoy spending time in vibrant public spaces, this course is an essential way to ensure your dog is well-mannered, confident, and ready to accompany you anywhere—without the stress.

Take your dog from the backyard to the busy streets with confidence—sign up for the Patio Pooch Skills Course today and turn every outing into a seamless, enjoyable experience for you and your dog!

K9 Parkour Skills Course: Build Confidence and Physical Fitness in the Real World

Ready to unlock your dog's full potential? **The K9 Parkour Skills Course** offers the perfect blend of agility, confidence-building, and physical fitness—all using real-world environments. This innovative course brings the excitement and benefits of traditional dog agility into the **21st century** by using **pre-existing structures** in public spaces, making it accessible, cost-effective, and incredibly rewarding for you and your dog.

With **8 action-packed lessons**, you'll work on a variety of exciting and fun skills, all designed to challenge your dog both physically and mentally. K9 Parkour is more than just a fitness regimen; it's about helping your dog **build confidence** and **master new, impressive skills** that improve their balance, strength, and overall fitness. Whether you're navigating benches, rails, rocks, or other public structures, your dog will gain the confidence to take on new challenges and thrive.

Program Highlights:

- **8 Lessons in Engaging Public Locations**

Each lesson takes place in a dynamic and novel public location, ensuring your dog learns to

navigate and perform parkour skills in the real world. The diversity of environments will keep things exciting for both you and your dog.

- **Agility Skills with Real-World Impact**

Using pre-existing structures like fences, benches, rails, playgrounds, and more, this course teaches your dog to safely perform agility-style movements without requiring a big investment in equipment or specialized spaces. It's agility that's accessible and practical!

- **Adaptive for All Ages and Fitness Levels**

Whether you have a puppy or a senior dog, a highly active dog or one just starting their fitness journey, this course is **highly adaptable**. We tailor each lesson to your dog's individual needs and abilities, ensuring that all participants, regardless of age or fitness level, can thrive.

- **Build Confidence and Strength**

Beyond physical fitness, K9 Parkour builds self-assurance and mental sharpness. Your dog will grow more confident with every jump, climb, and leap, resulting in a dog who is not only fit but also more comfortable and well-rounded in everyday life.

Ready to bring out the best in your dog?

Join the **K9 Parkour Skills Course** today and give your dog the opportunity to develop agility, confidence, and strength in an exciting, modern way! **No expensive equipment required, just you, your dog, and the world around you.**

Off Leash Skills Course: Freedom, Safety, and Fulfillment for You and Your Dog

Imagine giving your dog the **ultimate freedom**—the ability to explore, run, and interact with the world around them, all while maintaining **complete safety** and **control**. Our **Off Leash** course is designed to help you and your dog experience life the way nature intended—without the constraints of a leash, but with all the reliability and skills needed to ensure a smooth and enjoyable experience for both of you.

Through **8 fulfilling lessons in real-world locations**, this course focuses on building **off-leash reliability**, while also strengthening the bond between you and your dog. Whether it's in the park, on the trail, or in more challenging environments, we'll teach your dog to respond to cues and stay engaged, giving them the **freedom they deserve**—without compromising safety or control.

Program Highlights:

- **8 Lessons in Real-World Locations**

Each lesson takes place in dynamic environments where off-leash skills can be put to the test. Your dog will learn how to stay reliable and responsive in a variety of settings, making them well-prepared for anything life throws their way.

- **Achieve True Off-Leash Reliability**

This isn't just about letting your dog roam free—it's about ensuring they respond to commands and stay safe, no matter where they are. Our course is designed to give you the **confidence** that your dog will listen to you, even when there's no leash to hold them back.

- **Build a Deeper Bond with Your Dog**

Off-leash training enhances your communication and strengthens the trust between you and your dog. As your dog learns to follow commands and enjoy freedom responsibly, the relationship between you deepens, leading to a more fulfilling partnership.

- **Safety and Fun Combined**

The **Off Leash** course teaches your dog the skills necessary to navigate the world off the leash

without the usual risks. They'll have the freedom to explore, run, and play, while you enjoy the peace of mind that comes with knowing they are under control and responding when needed.

Give your dog the life they deserve, with the freedom they crave and the control you need.

Join our **Off Leash** course today and experience the joy of a truly fulfilling off-leash lifestyle, where safety, freedom, and fun go hand in hand!

Nose Work Skills Course: Stimulate Your Dog's Mind and Body with Exciting Scent Detection

Looking for a fun and enriching activity that taps into your dog's natural instincts? Our **Nose Work Skills Course** is the perfect way to provide your dog with both mental and physical stimulation, all while building essential scent detection skills in a variety of real-world settings. This non-competitive course focuses on teaching your dog to detect and alert to different scents, boosting their **confidence**, **focus**, and overall **fulfillment**.

With **8 engaging lessons**, we'll introduce your dog to the basics of nose work in a way that's both exciting and rewarding. They'll learn how to identify and alert to scents in diverse environments, working their way through fun, stimulating challenges that enhance both their problem-solving abilities and physical agility. Whether you're looking for a new way to bond with your dog or just want to provide them with a fulfilling, mentally stimulating activity, **Nose Work** is the perfect choice.

Program Highlights:

- **8 Lessons Focused on Fun and Fundamentals**

Every lesson builds on the previous one, taking your dog through a series of exciting scent challenges in real-world environments. As your dog masters new skills, they'll enjoy the rewarding experience of using their nose to solve problems.

- **Boost Mental and Physical Fulfillment**

Nose work is an incredible way to tire your dog out in a constructive way. By engaging their sense of smell, one of their most powerful tools, you're providing both **mental stimulation** and **physical exercise**—leading to a balanced, happy dog.

- **Non-Competitive, Low-Stress Environment**

Unlike traditional competitive dog sports, our **Nose Work Skills Course** focuses purely on fun and enrichment, with no pressure to compete. It's about bonding with your dog, fostering their natural abilities, and providing them with a sense of accomplishment as they master new skills.

- **Perfect for All Dogs**

Whether your dog is young, old, active, or a bit more laid-back, nose work is suitable for every breed and energy level. It's a great way to engage even dogs who may not enjoy more physically demanding activities, as it taps into their natural instincts and abilities.

Put the FUN in the FUNdamentals of Nose Work—join our **Nose Work Skills Course** today and give your dog the enrichment and fulfillment they need to thrive!

Virtual Sessions: Dog Training Available Worldwide, On Your Schedule

No matter where you are, our **Virtual Sessions** bring expert dog training straight to you—**worldwide!** Designed for those with busy, dynamic schedules, these one-on-one video sessions are tailored to meet your needs, whether you're working on obedience, troubleshooting behavior issues, or adapting your dog's training to fit your unique lifestyle.

Offered in convenient **8-session packages**, our **Virtual Sessions** are conducted over Zoom with your personal trainer, ensuring that you get the same high-quality, personalized attention that you would in an in-person session. This flexible, easy-to-schedule format means you never have to leave the comforts of home, making it the ideal solution for anyone looking to improve their dog's behavior without disrupting their routine.

Program Highlights:

- **One-on-One Personalized Attention**

Every session is focused entirely on you and your dog, with a trainer who tailors each lesson to your specific goals and challenges. Whether it's basic obedience or more complex behavioral issues, we ensure you're getting the exact help you need.

- **Available Worldwide**

With **virtual training**, geographic location is no longer a barrier. Whether you're in a small town or living abroad, we bring professional dog training right to your screen—anytime, anywhere.

- **Flexible Scheduling**

- **Obedience, Behavior Troubleshooting, and Lifestyle Adaptation**

From teaching basic commands to solving behavioral problems or helping your dog adjust to changes in their routine, our **Virtual Sessions** are versatile and comprehensive. We focus on setting you and your dog up for success, no matter what life throws your way.

Get the training you need, on your terms, and from the comfort of home.

Sign up for our **Virtual Sessions** today and experience the flexibility and convenience of world-class dog training, no matter where you are!

Professional Evaluations: Expert Assessments for Every Need

At **Red Dog Blue Dog**, we provide comprehensive, professional evaluations that help you make informed decisions about your dog's behavior, temperament, and suitability for specialized roles. Whether you need an **Aggression Assessment**, **Service Dog or Therapy Dog Aptitude Testing**, or a **Rescue Dog Temperament Evaluation**, our team of experienced professionals is here to provide the expert guidance you need.

Our **Professional Evaluations** are designed to be thorough, objective, and actionable, offering detailed recommendations that will help you understand your dog's behavior and needs. These evaluations are

not only suitable for personal use but can also be used for **insurance**, **HOA**, and **legal submissions**, giving you the peace of mind and clarity you need.

Program Highlights:

- **Aggression Assessments**

If you're dealing with aggression issues, our thorough assessments help identify the underlying causes and provide clear recommendations for managing and modifying aggressive behaviors.

- **Service Dog & Therapy Dog Aptitude Testing**

Whether you're training a service dog or considering a therapy dog, we evaluate your dog's temperament, behavior, and skills to determine their suitability for these important roles.

- **Rescue Dog Temperament Evaluations**

Adopted or rescued dogs often come with unknown histories. Our evaluations help you understand their temperament and behavior, ensuring a smooth transition into your home and a harmonious relationship.*This evaluation can be done before OR after adoption.

- **Litter Temperament Testing**

For breeders or future dog owners, our litter temperament testing offers insights into individual puppies' personalities, helping you match the right puppy with the right family.

- **General Behavioral Evaluations**

If you're facing behavioral challenges with your dog, our expert evaluations provide a clear, actionable roadmap for addressing issues like anxiety, fear, and more.

All evaluations include **detailed written recommendations** that are clear, actionable, and tailored to your dog's specific needs.

No matter the evaluation, you can trust Red Dog Blue Dog to provide expert insights and recommendations—whether for personal use, legal purposes, or insurance requirements. Get the clarity and professional guidance you need today!
